Oliver Family Dentistry's

Dental Savings Plan

We have noticed lately in our practice that many local families cannot afford dental insurance or dental check-ups for their families. This made us think that there has to be a way for us to offer patients with NO dental insurance, a way to save money while still getting excellent dental care. For this reason, we have created the Dental Savings Plan. With this plan there are no deductibles, no yearly maximums, and no waiting periods to begin treatment.

We now offer two plans

Traditional Plan includes:

-2 preventative visits per membership year, each visit includes

-a simple teeth cleaning

-a Doctor Exam

- a Fluoride application

-1 set of necessary X-rays per membership year

-15% Discount on ALL in office Dental procedures and products

ANNUAL DENTAL SAVINGS PLAN - ONLY \$297

Care Credit Card Users:

If the dental savings plan is paid for with a Care Credit Card, there will be an additional 13% administration fee applied

As you can see, the Dental Savings Plan will save each member of your family more than \$50 a year! **PLUS** Each Dental Savings Plan member will also save **15%** on ALL in office dental procedures and products.
